

## AGENDA

### Consultation meeting on Measuring the adoption of CGIAR-related agricultural innovations in Viet Nam

Time: 6th – 7th June 2022

Location: Sheraton Hotel, Hà Nội

#### Consultation objectives:

- A. Introduction to CGIAR's activities, including SPIA's Vietnam country study
- B. Sharing insights on CGIAR's contribution to Vietnam's agriculture and Vietnam's strategic direction for agricultural development
- C. Consultation on the CGIAR-derived innovations that could be at scale and building the awareness of and demand for data collection.

#### Mon 6<sup>th</sup> June 2022

1. Welcome		
08:30	Professor Karen Macours (Chair – CGIAR SPIA)	
	Dr Cao Duc Phat (Former Minister – Ministry of Agriculture and Rural Development, 2004 – 2016)	
	Dr Jean Balie (DG – IRRI and CGIAR Regional Director for SE Asia)	Remarks on One CGIAR in Vietnam
	Dr Nguyen Do Anh Tuan (ICD Director – MARD)	Welcome speech
2. CGIAR and SPIA: Introduction		
9:00	Professor Karen Macours (Chair – CGIAR SPIA)	Introduction to SPIA's Vietnam country study
9:15	Dr James Stevenson (Senior Researcher – CGIAR SPIA)	Overview of major CGIAR activities in Vietnam since 2000

#### IRRI Vietnam Country Office

Address International Rice Research Institute (IRRI) in Vietnam

Agricultural Genetics Institute, Km 2, Pham Van Dong Street, North Tu Liem District, Hanoi, Vietnam

Tel. +84 (24) 3836-0026, 3836-0025; Fax. +84 (24) 3836-0026 Email: d.dinh@irri.org

<b>3. Reflections on history of CGIAR contributions to Vietnamese agriculture and priorities for Vietnam's agricultural development</b>		
9.30	Dr Nguyen Thi Thanh Thuy (Director – MARD Department of Science and Technology)	Reflections on history of CGIAR contributions to Vietnamese agriculture
9:45	Dr Tran Cong Thang (Director General - IPSARD)	Vietnam's strategy for sustainable agricultural and rural development for the period of 202 –2030
10:15	Break	
10:30	Discussion  Leaders of GSO, MARD Directorates/Departments/Institutes	Chaired by Dr Cao Duc Phat
12:00 Lunch		
13:30 Reconvening	Professor Sujata Visaria (Panel Member – CGIAR SPIA)	Post-lunch reflections from the group
<b>4. Measuring the adoption of agricultural innovations: SPIA-GSO collaboration in Vietnam</b>		
14:00 Presentation	Dr Frederic Kosmowski (Researcher – CGIAR SPIA)	SPIA's stock-take process and priorities identified for data on adoption of agricultural innovations
14:45 Panel Discussion	Panel of CGIAR Scientists:  Dr Bjoern Ole Sander (IRRI) Dr Tran Nhuong (Worldfish) Dr Huynh Thi Thanh Tuyen (ABC) Dr Jonathan Newby (ABC) Dr Nguyen Viet Hung (ILRI, TBC)	Chaired by Professor Sujata Visaria (Panel Member – CGIAR SPIA)
15:45 – 16:00 Break		
16:00 Presentations	Mr Nguyen Dinh Khuyen (Deputy Director – GSO Department of Statistical Methodology and Data Quality Management)  Representative of MARD Center for Information and Statistics on Agriculture	Statistical law and the statistical indicators system; available survey instruments from GSO  MARD's own system for data collection

**IRRI Vietnam Country Office**

**Address** International Rice Research Institute (IRRI) in Vietnam

Agricultural Genetics Institute, Km 2, Pham Van Dong Street, North Tu Liem District, Hanoi, Vietnam

**Tel.** +84 (24) 3836-0026, 3836-0025; **Fax.** +84 (24) 3836-0026 **Email:** d.dinh@irri.org

17:00	Professor Karen Macours (Chair – CGIAR SPIA)	Discussion. Identification of topics and formation of groups to continue on Day 2
-------	---	---

**Tues 7<sup>th</sup> June 2022**

08:30 Reconvene	Professor Kyle Emerick (Panel Member – CGIAR SPIA)	Re-cap of Day 1 and introductions for any new participants
<b>5. Measuring the adoption of agricultural innovations: Options for Vietnam</b>		
09:00 Presentations	Dr Monica Biradavolu (Panel Member – CGIAR SPIA) & Thao Bach (Pre-doctoral fellow – CGIAR SPIA)  Dr Frederic Kosmowski (Researcher – CGIAR SPIA)  Dr Johanne Pelletier (Consultant – CGIAR SPIA) Professor Kyle Emerick (Panel Member – CGIAR SPIA)	Measuring adoption of 1M5R  Overview of innovations with a potential for collecting adoption data in the future  Opportunities for remote sensing to support data collection
10:30 Break		
<b>6. Data and measurement working groups</b>		
11:00 Group work	Workshop participants will form into groups and develop ideas for work on specific measurement topics	
12:00 Lunch		
13:30 Group work	Group work continued	
15:00 Feedback from groups	Professor Sujata Visaria (Panel Member – CGIAR SPIA)	Report back groups and discuss next steps
17:00 Final remarks	Professor Karen Macours; Dr Cao Duc Phat; Dr Tran Cong Thang	

**IRRI Vietnam Country Office**

**Address** International Rice Research Institute (IRRI) in Vietnam

Agricultural Genetics Institute, Km 2, Pham Van Dong Street, North Tu Liem District, Hanoi, Vietnam

**Tel.** +84 (24) 3836-0026, 3836-0025; **Fax.** +84 (24) 3836-0026 **Email:** d.dinh@irri.org
